- B.2. Term Extension. The State reserves the right to extend this Grant Contract for an additional period or periods of time representing increments of no more than one year and a total contract term of no more than two (2) years, provided that such an extension of the contract term is effected prior to the current, contract expiration date by means of an amendment. If the term

extension necessitates additional funding beyond that which was included in the original Grant Contract, such funding will also be effected through an amendment.

**C. PAYMENT TERMS AND CONDITIONS:**

- C.1. Maximum Liability. In no event shall the maximum liability of the State under this Grant Contract exceed One Hundred Eighty-Two Thousand, Five Hundred Fifty-Eight Dollars (\$182,558.00). The Grant Budget, attached and incorporated herein as a part of this Grant Contract as Attachment A, shall constitute the maximum amount due the Grantee for the service and all of the Grantee's obligations hereunder. The Grant Budget line-items include, but are not limited to, all applicable taxes, fees, overhead, and all other direct and indirect costs incurred or to be incurred by the Grantee.
- C.2. Compensation Firm. The maximum liability of the State is not subject to escalation for any reason unless amended. The Grant Budget amounts are firm for the duration of the Grant Contract and are not subject to escalation for any reason unless amended, except as provided in Section C.6.
- C.3. Payment Methodology. The Grantee shall be compensated for actual, reasonable, and necessary costs based upon the Grant Budget, not to exceed the maximum liability established in Section C.1. Upon progress toward the completion of the work, as described in Section A of this Grant Contract, the Grantee shall submit invoices prior to any reimbursement of allowable costs.
- C.4. Travel Compensation. Reimbursement to the Grantee for travel, meals, or lodging shall be subject to amounts and limitations specified in the "State Comprehensive Travel Regulations," as they are amended from time to time and shall be contingent upon and limited by the Grant Budget funding for said reimbursement.
- C.5. Invoice Requirements. The Grantee shall invoice the State no more often than monthly, with all necessary supporting documentation, to:

Andrew Johnson Tower, Ninth Floor  
710 James Robertson Parkway  
Nashville, TN 37243-0800

- a. Each invoice shall clearly and accurately (all calculations must be extended and totaled correctly) detail the following required information.
- (1) Invoice/Reference Number (assigned by the Grantee);
  - (2) Invoice Date;
  - (3) Invoice Period (period to which the reimbursement request is applicable);
  - (4) Grant Contract Number (assigned by the State to this Grant Contract);
  - (5) Account Name: Tennessee Commission on Children and Youth;
  - (6) Account/Grantor Number (uniquely assigned by the Grantee to the above-referenced Account Name);
  - (7) Grantee Name;
  - (8) Grantee Federal Employer Identification Number or Social Security Number (as referenced in this Grant Contract);
  - (9) Grantee Remittance Address;
  - (10) Grantee Contact (name, phone, and/or fax for the individual to contact with invoice questions);
  - (11) Complete Itemization of Reimbursement Requested for the Invoice Period, which shall detail, at minimum, the following:
    - i. Reimbursement Amount Requested by Grant Budget Line-Item for the invoice period (including any travel expenditure reimbursement requested

in accordance with and attaching to the invoice appropriate documentation and receipts as required by the above-referenced "State Comprehensive Travel Regulations");

- ii. Amount Reimbursed by Grant Budget Line-Item to Date;
- iii. Total Amount Reimbursed under the Grant Contract to Date; and
- iv. Total Reimbursement Amount Requested (all line-items) for the invoice period.

- b. The Grantee understands and agrees that an invoice to the State under this Grant Contract shall:
  - (1) include only reimbursement requests for actual, reasonable, and necessary expenditures required in the delivery of service described in Grant Contract Section A subject to the Grant Budget and any other provision of this Grant Contract relating to allowable reimbursements; and
  - (2) not include any reimbursement requests for future expenditures.
- c. The Grantee agrees that timeframe for reimbursement begins when the State is in receipt of each invoice meeting the minimum requirements above.
- d. The Grantee shall complete and sign a "Substitute W-9 Form" provided to the Grantee by the State. The taxpayer identification number contained in the Substitute W-9 submitted to the State shall agree to the Federal Employer Identification Number or Social Security Number referenced in this Grant Contract for the Grantee. The Grantee shall not invoice the State under this Grant Contract until the State has received this completed form.

C.6. Budget Line-items. Expenditures, reimbursements, and payments under this Grant Contract shall adhere to the Grant Budget. The Grantee may request revisions of Grant Budget line-items by letter, giving full details supporting such request, provided that such revisions do not result in funding for a line-item that was previously funded at zero dollars (\$0.00) and do not increase the total Grant amount. Grant Budget line-item revisions may not be made without prior, written approval of the State in which the terms of the approved revisions are explicitly set forth. Any such approval shall be superseded by a subsequent revision of the Grant Budget by contract amendment, and any increase in the total Grant amount shall require a contract amendment.

C.7. Disbursement Reconciliation and Close Out. The Grantee shall submit a final invoice and grant disbursement reconciliation report within thirty (30) days of the Grant Contract end date and in form and substance acceptable to the State.

- a. The Grant Budget specifies a Grantee Match Requirement and the final grant disbursement reconciliation report shall detail all Grantee expenditures recorded to meet said requirement.
  - i. No Grantee expenditure shall be recorded and reported toward meeting a Grantee Match Requirement of more than one grant contract with the state of Tennessee.
  - ii. The final grant disbursement reconciliation report shall specifically detail the exact amount of any Grantee failure to meet a Match Requirement, and the maximum total amount reimbursable by the State pursuant to this Grant Contract, as detailed by the Grant Budget column "Grant Contract," shall be reduced by the amount that the Grantee failed to contribute to the Total Project as budgeted.
- b. If total disbursements by the State pursuant to this Grant Contract exceed the amounts permitted by the Section C, Payment Terms and Conditions of this Grant Contract (including any adjustment pursuant to section C.7.a.ii. above), the Grantee shall refund the difference to the State. The Grantee shall submit said refund with the final grant disbursement reconciliation report.

- c. The State shall not be responsible for the payment of any invoice submitted to the state after the final invoice and grant disbursement reconciliation report. The State will not deem any Grantee costs submitted for reimbursement after the final invoice to be allowable and reimbursable by the State, and such invoices will NOT be paid.
- d. The Grantee's failure to provide a final grant disbursement reconciliation report to the state as required shall result in the Grantee being deemed ineligible for reimbursement under this Grant Contract, and the Grantee shall be required to refund any and all payments by the state pursuant to this Grant Contract.
- e. The Grantee must close out its accounting records at the end of the grant period in such a way that reimbursable expenditures and revenue collections are NOT carried forward.

- C.8. Indirect Cost. Should the Grantee request reimbursement for indirect cost, the Grantee must submit to the State a copy of the indirect cost rate approved by the cognizant federal agency and the State. The Grantee will be reimbursed for indirect cost in accordance with the approved indirect cost rate to amounts and limitations specified in the attached Grant Budget. Once the Grantee makes an election and treats a given cost as direct or indirect, it must apply that treatment consistently and may not change during the grant period. Any changes in the approved indirect cost rate must have prior approval of the cognizant federal agency and the State. If the indirect cost rate is provisional during the term of this agreement, once the rate becomes final, the Grantee agrees to remit any overpayment of funds to the State, and subject to the availability of funds the State agrees to remit any underpayment to the Grantee.
- C.9. Cost Allocation. If any part of the costs to be reimbursed under this Grant Contract are joint costs involving allocation to more than one program or activity, such costs shall be allocated and reported in accordance with the provisions of Department of Finance and Administration Policy Statement 03 or any amendments or revisions made to this policy statement during the Grant Contract period.
- C.10. Payment of Invoice. The payment of the invoice by the State shall not prejudice the State's right to object to or question any invoice or matter in relation thereto. Such payment by the State shall neither be construed as acceptance of any part of the work or service provided nor as an approval of any of the costs invoiced therein.
- C.11. Unallowable Costs. The Grantee's invoice shall be subject to reduction for amounts included in any invoice or payment theretofore made which are determined by the State, on the basis of audits or monitoring conducted in accordance with the terms of this Grant Contract, not to constitute allowable costs.
- C.12. Deductions. The State reserves the right to deduct from amounts which are or shall become due and payable to the Grantee under this or any Contract between the Grantee and the State of Tennessee any amounts which are or shall become due and payable to the State of Tennessee by the Grantee.
- C.13. Automatic Deposits. The Grantee shall complete and sign an "Authorization Agreement for Automatic Deposit (ACH Credits) Form." This form shall be provided to the Grantee by the State. Once this form has been completed and submitted to the State by the Grantee all payments to the Grantee, under this or any other contract the Grantee has with the State of Tennessee shall be made by Automated Clearing House (ACH). The Grantee shall not invoice the State for services until the Grantee has completed this form and submitted it to the State.

**D. STANDARD TERMS AND CONDITIONS:**

- D.1. Required Approvals. The State is not bound by this Grant Contract until it is approved by the appropriate State officials in accordance with applicable Tennessee State laws and regulations.

- D.2. Modification and Amendment. This Grant Contract may be modified only by a written amendment executed by all parties hereto and approved by the appropriate Tennessee State officials in accordance with applicable Tennessee State laws and regulations.
- D.3. Termination for Convenience. The State may terminate this Grant Contract without cause for any reason. Said termination shall not be deemed a Breach of Contract by the State. The State shall give the Grantee at least thirty (30) days written notice before the effective termination date. The Grantee shall be entitled to compensation for authorized expenditures and satisfactory services completed as of the termination date, but in no event shall the State be liable to the Grantee for compensation for any service which has not been rendered. The final decision as to the amount, for which the State is liable, shall be determined by the State. Should the State exercise this provision, the Grantee shall not have any right to any actual general, special, incidental, consequential, or any other damages whatsoever of any description or amount.
- D.4. Termination for Cause. If the Grantee fails to properly perform its obligations under this Grant Contract in a timely or proper manner, or if the Grantee violates any terms of this Grant Contract, the State shall have the right to immediately terminate the Grant Contract and withhold payments in excess of fair compensation for completed services. Notwithstanding the above, the Grantee shall not be relieved of liability to the State for damages sustained by virtue of any breach of this Grant Contract by the Grantee.
- D.5. Subcontracting. The Grantee shall not assign this Grant Contract or enter into a subcontract for any of the services performed under this Grant Contract without obtaining the prior written approval of the State. If such subcontracts are approved by the State, they shall contain, at a minimum, sections of this Grant Contract below pertaining to "Conflicts of Interest," "Lobbying," "Nondiscrimination," "Public Accountability," "Public Notice," and "Records" (as identified by the section headings). Notwithstanding any use of approved subcontractors, the Grantee shall be the prime contractor and shall be responsible for all work performed.
- D.6. Conflicts of Interest. The Grantee warrants that no part of the total Grant Amount shall be paid directly or indirectly to an employee or official of the State of Tennessee as wages, compensation, or gifts in exchange for acting as an officer, agent, employee, subcontractor, or consultant to the Grantee in connection with any work contemplated or performed relative to this Grant Contract.
- D.7. Lobbying. The Grantee certifies, to the best of its knowledge and belief, that:
- a. No federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.
  - b. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this contract, grant, loan, or cooperative agreement, the Grantee shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
  - c. The Grantee shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into and is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, *U.S. Code*.

- D.8. Nondiscrimination. The Grantee hereby agrees, warrants, and assures that no person shall be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination in the performance of this Grant Contract or in the employment practices of the Grantee on the grounds of disability, age, race, color, religion, sex, national origin, or any other classification protected by Federal, Tennessee State constitutional, or statutory law. The Grantee shall, upon request, show proof of such nondiscrimination and shall post in conspicuous places, available to all employees and applicants, notices of nondiscrimination.
- D.9. Public Accountability. If the Grantee is subject to *Tennessee Code Annotated*, Title 8, Chapter 4, Part 4 or if this Grant Contract involves the provision of services to citizens by the Grantee on behalf of the State, the Grantee agrees to establish a system through which recipients of services may present grievances about the operation of the service program, and the Grantee shall display in a prominent place, located near the passageway through which the public enters in order to receive Grant supported services, a sign at least twelve inches (12") in height and eighteen inches (18") in width stating:

NOTICE: THIS AGENCY IS A RECIPIENT OF TAXPAYER FUNDING. IF YOU OBSERVE AN AGENCY DIRECTOR OR EMPLOYEE ENGAGING IN ANY ACTIVITY WHICH YOU CONSIDER TO BE ILLEGAL, IMPROPER, OR WASTEFUL, PLEASE CALL THE STATE COMPTROLLER'S TOLL-FREE HOTLINE: 1-800-232-5454

- D.10. Public Notice. All notices, informational pamphlets, press releases, research reports, signs, and similar public notices prepared and released by the Grantee shall include the statement, "This project is funded under an agreement with the Tennessee Commission on Children and Youth." Any such notices by the Grantee shall be approved by the State.
- D.11. Licensure. The Grantee and its employees and all sub-grantees shall be licensed pursuant to all applicable federal, state, and local laws, ordinances, rules, and regulations and shall upon request provide proof of all licenses.
- D.12. Records. The Grantee (and any approved subcontractor) shall maintain documentation for all charges under this Contract. The books, records, and documents of the Grantee (and any approved subcontractor), insofar as they relate to work performed or money received under this Contract, shall be maintained for a period of three (3) full years from the date of the final payment and shall be subject to audit at any reasonable time and upon reasonable notice by the state agency, the Comptroller of the Treasury, or their duly appointed representatives. The records of not-for-profit entities shall be maintained in accordance with the *Accounting Manual for the Recipients of Grant Funds in the State of Tennessee*, published by the Tennessee Comptroller of the Treasury (available at <http://comptroller.state.tn.us/ma/nonprofit/nonprofit1.pdf>). The financial statements shall be prepared in accordance with generally accepted accounting principles.
- D.13. Monitoring. The Grantee's activities conducted and records maintained pursuant to this Grant Contract shall be subject to monitoring and evaluation by the State, the Comptroller of the Treasury, or their duly appointed representatives.
- D.14. Progress Reports. The Grantee shall submit brief, periodic, progress reports to the State as requested.
- D.15. Annual Report and Audit. The Grantee shall prepare and submit, within nine (9) months after the close of the reporting period, an annual report of its activities funded under this Grant Contract to the commissioner or head of the Granting agency, the Tennessee Comptroller of the Treasury, and the Commissioner of Finance and Administration. The annual report for any Grantee that receives five hundred thousand dollars (\$500,000) or more in aggregate federal and state funding for all its programs shall include audited financial statements. All books of account and financial

records shall be subject to annual audit by the Tennessee Comptroller of the Treasury or the Comptroller's duly appointed representative. When an audit is required, the Grantee may, with the prior approval of the Comptroller, engage a licensed independent public accountant to perform the audit. The audit contract between the Grantee and the licensed independent public accountant shall be on a contract form prescribed by the Tennessee Comptroller of the Treasury. Any such audit shall be performed in accordance with generally accepted government auditing standards, the provisions of OMB Circular A-133, if applicable, and the *Audit Manual for Governmental Units and Recipients of Grant Funds* published by the Tennessee Comptroller of the Treasury. The Grantee shall be responsible for reimbursement of the cost of the audit prepared by the Tennessee Comptroller of the Treasury, and payment of fees for the audit prepared by the licensed independent public accountant. Payment of the audit fees of the licensed independent public accountant by the Grantee shall be subject to the provisions relating to such fees contained in the prescribed contract form noted above. Copies of such audits shall be provided to the designated cognizant state agency, the State Granting Department, the Tennessee Comptroller of the Treasury, and the Department of Finance and Administration and shall be made available to the public.

- D.16. Procurement. If the other terms of this Grant Contract allow reimbursement for the cost of goods, materials, supplies, equipment, and/or contracted services, such procurement shall be made on a competitive basis, including the use of competitive bidding procedures, where practical. The Grantee shall maintain documentation for the basis of each procurement for which reimbursement is paid pursuant to this Grant Contract. In each instance where it is determined that use of a competitive procurement method was not practical, said documentation shall include a written justification for such decision and non-competitive procurement. Further, if such reimbursement is to be made with funds derived wholly or partially from federal sources, the determination of cost shall be governed by and reimbursement shall be subject to the Grantee's compliance with applicable federal procurement requirements.

The Grantee shall obtain prior approval from the State before purchasing any equipment under this Grant Contract.

- D.17. Strict Performance. Failure by any party to this Grant Contract to insist in any one or more cases upon the strict performance of any of the terms, covenants, conditions, or provisions of this agreement shall not be construed as a waiver or relinquishment of any such term, covenant, condition, or provision. No term or condition of this Grant Contract shall be held to be waived, modified, or deleted except by a written amendment signed by the parties hereto.
- D.18. Independent Contractor. The parties hereto, in the performance of this Grant Contract, shall not act as employees, partners, joint venturers, or associates of one another. It is expressly acknowledged by the parties hereto that such parties are independent contracting entities and that nothing in this Grant Contract shall be construed to create a principal/agent relationship or to allow either to exercise control or direction over the manner or method by which the other transacts its business affairs or provides its usual services. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever.

The Grantee, being a political subdivision of the State, is governed by the provisions of the Tennessee Government Tort Liability Act, *Tennessee Code Annotated*, Sections 29-20-101 *et seq.*, for causes of action sounding in tort. Further, no contract provision requiring a Tennessee political entity to indemnify or hold harmless the State beyond the liability imposed by law is enforceable because it appropriates public money and nullifies governmental immunity without the authorization of the General Assembly.

- D.19. State Liability. The State shall have no liability except as specifically provided in this Grant Contract.

- D.20. Force Majeure. The obligations of the parties to this Grant Contract are subject to prevention by causes beyond the parties' control that could not be avoided by the exercise of due care including, but not limited to, acts of God, natural disasters, riots, wars, epidemics or any other similar cause.
- D.21. State and Federal Compliance. The Grantee shall comply with all applicable state and federal laws and regulations in the performance of this Grant Contract.
- D.22. Governing Law. This Grant Contract shall be governed by and construed in accordance with the laws of the State of Tennessee. The Grantee agrees that it will be subject to the exclusive jurisdiction of the courts of the State of Tennessee in actions that may arise under this Grant Contract. The Grantee acknowledges and agrees that any rights or claims against the State of Tennessee or its employees hereunder, and any remedies arising there from, shall be subject to and limited to those rights and remedies, if any, available under *Tennessee Code Annotated*, Sections 9-8-101 through 9-8-407.
- D.23. Completeness. This Grant Contract is complete and contains the entire understanding between the parties relating to the subject matter contained herein, including all the terms and conditions of the parties' agreement. This Grant Contract supersedes any and all prior understandings, representations, negotiations, and agreements between the parties relating hereto, whether written or oral.
- D.24. Severability. If any terms and conditions of this Grant Contract are held to be invalid or unenforceable as a matter of law, the other terms and conditions hereof shall not be affected thereby and shall remain in full force and effect. To this end, the terms and conditions of this Grant Contract are declared severable.
- D.25. Headings. Section headings are for reference purposes only and shall not be construed as part of this Grant Contract.

**E. SPECIAL TERMS AND CONDITIONS:**

- E.1. Conflicting Terms and Conditions. Should any of these special terms and conditions conflict with any other terms and conditions of this Grant Contract, these special terms and conditions shall control.
- E.2. Communications and Contacts. All instructions, notices, consents, demands, or other communications required or contemplated by this Grant Contract shall be in writing and shall be made by certified, first class mail, return receipt requested and postage prepaid, by overnight courier service with an asset tracking system, or by EMAIL or facsimile transmission with recipient confirmation. Any such communications, regardless of method of transmission, shall be addressed to the respective party at the appropriate mailing address, facsimile number, or EMAIL address as set forth below or to that of such other party or address, as may be hereafter specified by written notice.

- E.3. Subject to Funds Availability. The Grant Contract is subject to the appropriation and availability of State and/or Federal funds. In the event that the funds are not appropriated or are otherwise unavailable, the State reserves the right to terminate the Grant Contract upon written notice to the Grantee. Said termination shall not be deemed a breach of Contract by the State. Upon receipt of the written notice, the Grantee shall cease all work associated with the Grant Contract. Should such an event occur, the Grantee shall be entitled to compensation for all satisfactory and authorized services completed as of the termination date. Upon such termination, the Grantee shall have no right to recover from the State any actual, general, special, incidental, consequential, or any other damages whatsoever of any description or amount.
- E.4. Voluntary Buyout Program. The Grantee acknowledges and understands that, for a period of two years beginning August 16, 2008, restrictions are imposed on former state employees who received a State of Tennessee Voluntary Buyout Program (VBP) severance payment with regard to contracts with state agencies that participated in the VBP.
- a. The State will not contract with either a former state employee who received a VBP severance payment or an entity in which a former state employee who received a VBP severance payment or the spouse of such an individual holds a controlling financial interest.
  - b. The State may contract with an entity with which a former state employee who received a VBP severance payment is an employee or an independent contractor. Notwithstanding the foregoing, the Grantee understands and agrees that there may be unique business circumstances under which a return to work by a former state employee who received a VBP severance payment as an employee or an independent contractor of a State grantee would not be appropriate, and in such cases the State may refuse Grantee personnel. Inasmuch, it shall be the responsibility of the State to review Grantee personnel to identify any such issues.
  - c. With reference to either subsection a. or b. above, a grantee may submit a written request for a waiver of the VBP restrictions regarding a former state employee and a contract with a state agency that participated in the VBP. Any such request must be submitted to the State in the form of the *VBP Contracting Restriction Waiver Request* format available from the State and the Internet at: [www.state.tn.us/finance/rds/ocr/waiver.html](http://www.state.tn.us/finance/rds/ocr/waiver.html). The determination on such a request shall be at the sole discretion of the head of the state agency that is a Party to this Grant Contract, the Commissioner of Finance and Administration, and the Commissioner of Human Resources.
- E. 5. Charges to Service Recipients Prohibited. The Grantee shall not collect any amount in the form of fees or reimbursements from the recipients of any service provided pursuant to this Grant Contract.
- E. 6. No Equipment Acquisition. This Grant Contract does not involve the acquisition and disposition of equipment acquired with funds provided under this Grant Contract.
- E.7. Confidentiality of Records. Strict standards of confidentiality of records shall be maintained in accordance with the law. All material and information, regardless of form, medium or method of communication, provided to the Grantee by the State or acquired by the Grantee on behalf of the State shall be regarded as confidential information in accordance with the provisions of State law

**Juvenile Accountability Block Grant 2008-2009**  
**Memphis and Shelby County, Tennessee**

**Authorized Signature:**

Larry K. Scroggs, State Advisory Membership Board Chairman

**Coordinated Enforcement Plan for Reducing Juvenile Crime**

**I. Project Narrative**

**A. PURPOSE AREA # 11**

Establishing and maintaining accountability-based programs designed to reduce recidivism among juveniles who are referred by law enforcement personnel or agencies.

**1. Nature, Scope and Degree of Problem**

Juvenile Court of Memphis and Shelby County (MSC) is one of the largest specialized Juvenile Court in the country and serves children and families of the largest county (Shelby) in the State of Tennessee. Based on 2006 United States Census Bureau estimates, the population for Shelby County, TN is 911,438. Nearly one third of that population is attributed to persons under 18 years old. MSC Juvenile Court operates a hardware secure facility for juvenile defendants and detainees. The facility operates 24 hours a day for seven days a week. Juveniles Court's most recent statistical data reveals an overall downward trend in the number of juvenile complaints corresponding to fluctuating trends. A total of 12,344 delinquency cases came to the attention of the Court in 2007; a decrease of 2.65% from the 12,680 in 2006. Serious and violent delinquent offenses decreased from 1,154 in 2006 to 1,127 in 2007, down 2.3%. The Court recorded a slight decrease in juveniles charged with Murder- 1<sup>st</sup> Degree, 12 in 2007 down 14.4% from 2006. Incidents of Aggravated Robbery declined in 2007 to 258; reflecting a 20.6% decrease from 2006. Incidents of Aggravated Assault decreased from 295 in 2006 to 278 in 2007, whereas incidents of Aggravated Burglary increased from 351 in 2006 to 391 in 2007 representing an 11.4% increase.

During 2007 the Court handled a total of 18,771 children's cases – 12,344 delinquent, 1,678 unruly and runaway, 3,903 dependent and neglected, 736 other-custody cases, and 110 traffic offenses. To prevent and reduce juvenile delinquency, it is necessary to address not only the offenses that bring children to the attention of the juvenile justice

system, but also the underlying problems these children face, including mental health and substance abuse problems. The Court deems mental health as fundamental as physical health to a child's complete development and well-being.

## **2. Addressing the Problem/Evidence Based Program**

### **Comprehensive Approach**

Shelby County Government, under the oversight of the local JABG State Advisory Board Membership, proposed a comprehensive approach to effectively address local juvenile accountability (system and offender) issues and underlying causes. The comprehensive approach of Shelby County's proposal will develop and expand partnerships to more effectively address local problems and underlying causes to identify solutions, create and enhance resources, increase accountability, and decrease future delinquency. All individual projects represented in this proposal are based on national models and/or evidenced based practices.

Project stakeholders, that include but are not limited to local business, non-profits, schools, and government, will pursue a coordinated approach in addressing accountability issues relating to juvenile delinquents of Memphis and Shelby County.

### **Target Population**

The population served will include male and female juvenile delinquents and youth of multiple municipalities/towns that together form Shelby County, TN. The program will target youth from Memphis, Arlington, Bartlett, Collierville, Germantown, Lakeland and Millington of Shelby County. All programs of this proposal will address minority youth and will reflect consistency with mandatory JABG Purpose Areas as all partnering agencies are enabled to be more effective and efficient in holding juvenile offenders accountable and reduce recidivism.

### **Program Administration**

Shelby County Government will administer the program under the oversight of the State Advisory Board Membership who bears ultimate oversight of the local JABG program. The responsibilities include, but are not limited to monitoring progress, performance and financial responsibility of the overall program and ensuring that proposed activities, being funded with JABG funds are geared toward reducing juvenile delinquency and promoting greater accountability in the juvenile justice system and for juveniles committing criminal offenses. The County's goal is to use the funds in a manner that will support and assist TCCY in complying with the Juvenile Justice Delinquency Prevention Act. Due to the culturally diverse composition of Memphis and Shelby County, culturally diverse and sensitive service providers, case managers, and volunteer educators will be used. Records of all projects will be maintained in a manner that ensures protection of all juveniles' right to privacy and confidentiality.

### **Program Implementation**

Shelby County proposes to implement three (3) separate programs within its primary County monitored JABG program that are collectively designed to reduce juvenile

delinquency, effect improvements in the juvenile justice system, and increase accountability of juvenile offenders in the Memphis and Shelby County communities. All program activities will be implemented in the period, October 1, 2008-September 30, 2009 and will run simultaneously through the period. All supplies and/or equipment purchases will be made by March 30, 2009 or as indicated in the specific project narratives. Quarterly reports of all program activity and measurable outcomes will be submitted to TCCY within 30 days of the close of the quarter and upon special request.

The applicant, Shelby County Government (SC) proposes to implement a strategy developed to increase juvenile accountability. We request 2008-2009 JABG funds for the reduction of juvenile delinquency, improvement of the juvenile justice system, and increased accountability of juvenile offenders.

The County's overall program will focus on Purpose Area 11. Each partnering agency will address a separate purpose area as indicated below. The agencies' services provided and purpose areas chosen were selected to produce the greatest impact in addressing our local juvenile justice needs. Programs services will focus on purpose areas: 4, 12 and 15.

1. Shelby County District Attorney (DA) General (Purpose Area 4): The project has one goal – To hold violent juvenile offenders accountable for their behavior. The DA's office will accomplish this goal by effectively prosecuting juveniles that commit violent crimes. The TCCY continuation grant will assure that an experienced full-time assistance district attorney will be assigned to juvenile court to prosecute juvenile violent offenders. This project is associated with the Ohio evidenced-based program, RECLAIM that "provides for a balanced approach of enforcement, intervention, and prevention to hold juveniles accountable." The DA's program addresses the problem of an increasing caseload of violent juvenile offenders by assigning a well-training, experienced prosecutor on the DA's staff to Juvenile Court.
2. Commission on Missing and Exploited Children (COMEC) (Purpose Area 12): Continuation funding is requested for risk and needs assessment related activities. COMEC will continue funding a Youth Programs Coordinator that coordinates the various COMEC programs designed to divert children from the juvenile justice system through prevention and intervention programs with the primary focus being on children who are runaways, engaged in substance abuse or other deviant behavior patterns who are not detained or held by Juvenile Court of other law enforcement agencies. COMEC will also purchase drug and alcohol test kits, videos, and materials on subjects such as: anger management; decision making skills, and personal responsibility issues. The TCCY funding will also assist COMEC's Teen Drug Hotline, which is a hotline for teens and parents who need counseling or assistance regarding teen drug use/abuse. Program services will be modeled after the National Center for Missing and Exploited Children and the Drug Abuse Resistance Education program by disseminating information on missing children; helping to locate missing children, conducting seminars on child safety, participating in community events, providing parent and child counseling, issuing drug test kits, and providing a drug hotline.

3. Juvenile Court of Memphis and Shelby County (Purpose Area 15): Continuation funding is requested to assist the Greater Opportunities for Additional Learning (GOAL) Program with educational and recruiting supplies and materials to enhance educational instruction to detainees and to support the recruitment of diverse volunteer educators. CURTIS S. PERSON  
JUDGE

May 6, 2008

Mrs. Linda O'Neal, Executive Director  
Tennessee Commission on Children and Youth  
Andrew Johnson Tower, 9<sup>th</sup> Floor  
710 James Robertson Parkway  
Nashville, TN 37243-0800

Dear Mrs. O'Neal:

I am pleased to learn that Shelby County Government is applying for Juvenile Accountability Block Grant (JABG) funds on behalf of children and families in our community. Shelby County's proposal seeks funding for projects that help our local community reduce juvenile delinquency and promote greater accountability within the juvenile justice system.

The full proposal calls for funding projects on behalf of Juvenile Court of Memphis and Shelby County, Shelby County District Attorney General, and the Commission on Missing and Exploited Children (COMEC). All projects enhance services to children and families in accordance with federal guidelines and are approved by the local State Advisory Membership Board (SAMB).

The Court's individual proposal, Strengthening Youth Services, will provide supplies and computer system enhancements. Educational and recruiting supplies will assist the Greater Opportunities for Additional Learning (GOAL) Program, which served thousands of youth last year. GOAL is an impressive example of how funding is maximized using local solutions for local problems. Psychological testing supplies will augment the Court's Staff Psychologist and Office of Clinical Services with needed materials. Computer system enhancements increase our ability to meet the demand as juvenile justice moves toward improved information sharing across categories and systems.

Shelby County proposes to utilize 2008-2009 JABG funds to implement projects subsequent to mandated program purpose areas, evidenced-based strategies, and best practice research. All SAMB approved projects assist Juvenile Court in community wide delinquency prevention and intervention efforts, while promoting greater accountability within the juvenile justice system. I wholeheartedly support Shelby County's complete proposal and hope you will give it your full consideration. Please contact me if further assistance is needed.

Sincerely,

Curtis S. Person
